

ASTC Travel Passport Program Participants – November 1, 2017 to April 30, 2018

Museums opt in and out of ASTC membership annually. Please check this list of participating museums before you visit.

Museums located within 90 miles of each other are excluded from the program unless that exclusion is lifted by mutual agreement. Museums close to the Sciencenter who have agreed to reciprocate are listed below with an asterisk(*).

To receive Passport Program benefits at a participating museum with (✓IDs) indicated, you must live more than 90 miles from that museum. Reciprocal admission is a benefit offered by your local museum and is intended for when you travel.

The Passport Program entitles visitors to free general admission. It does not include free admission to planetarium/theater presentations nor does it include museum store discounts and other benefits associated with membership unless stated otherwise.

Bring your membership card and photo ID! Museums are not required to grant free admission to visitors who forget their cards. There isn't a universal database with member data for museum admission staff to reference.

Museums on this list are sorted first by state. Visit www.sciencenter.org/perch/resources/astc.pdf for more information about these museums.

CALL BEFORE YOU VISIT TO CONFIRM YOUR TRAVEL PASSPORT PROGRAM BENEFITS.
